

4 Ps of Personal Information

<http://www.endcyberbullying.org/prevention/prevention-for-teens/>

Polite

Be courteous and respectful of others online. One should treat others the way they want to be treated

Posting

What is posted online today, may come back and haunt the writer tomorrow.

Pay Attention

Improper, inappropriate or profane language may cause a participant to be kicked out or permanently banned from a forum or group.

Personal information

Never give out personal information about yourself or your family and friends. This includes name, address, telephone number, where you go to school, and even what city you live in.
